Pet Stain Off

Dilution Rate (oz./gal.): Ready to Use

Cleaning Instructions:
1. Shake well before using (product should be room temperature for best results).
2. Test in an obscure area for colorfastness.
3. Remove any solid waste from carpet.
4. Saturate stained area with Pet Stain-Off and allow product to penetrate surface.
5. Pour/mist equal amounts of warm water (not hot) onto stain to activate Pet Stain-Off process.
6. Place a warm damp towel over the problem area to increase product performance.
