Revitalize Carpet and Upholstery Extraction Cleaner

Dilution Rate (oz./gal.): 2 oz/gal

Cleaning Instructions: 1. Remove moveable furniture and vacuum thoroughly. 2. Prepare a use solution of 1-2 US fl oz/US gallon (28-59 mL/3.78 L) of Revitalize Carpet and Upholstery Extraction Cleaner. Hot water is recommended for oily soils. 3. Extract carpet. Allow to dry thoroughly. Fans can be used to speed drying. Replace furniture. If carpet is still damp, place plastic pads under legs to prevent rusting. Disposal: Dispose of excess product in drain with plenty of cold water, or by any other method in accordance with local, state and federal laws. Never dump product outside. Container Disposal: Triple rinse, then offer container for recycling, or if not available, comply with other disposal regulations.

Cleaning Solution Program

Certification From: 04/17/2023

Type: In-tank
