Rocco & Roxie Stain and Odor Eliminator

Dilution Rate (oz./gal.): RTU

Cleaning Instructions: Pre-test on hidden area before using on carpet and fabrics. If color appears on cloth... Do not use! 1) Remove excess stain or pet urine first, utilizing a highly absorbent towel. 2) Apply a generous amount of solution pet urine stain and odor remover to the affected area and allow to stand. For surface odors and stains, allow to stand 5 to 10 min. Then blot with cloth. For tough odors, both carpet and underlying pad must be thoroughly treated. Saturation is a very important step for total urine removal. Remove sprayer nozzle and pour directly onto affected area. Allow to stand 60 min. 3) Fold the towel and lay it on the treated area and allow to dry. Allowing the towel to absorb the excess residual liquid out of the carpet pad. 4) Once dried, inspect, then vacuum the treated area. Pet stain and odor should be eliminated. If stain and odor remains, repeat the above procedure. Tough older stains and odors may require an additional application.

Cleaning Solution Program

Type: Spot Remover

Certification From: 04/11/2023

Certification Expiration: 06/30/2024

THE CARPET AND RUG INSTITUTE

100 S HAMILTON STREET
DALTON, GA 30720-4612
