### Pet Stain and Odour Remover Concentrate

Dilution Rate (oz./gal.): 16 oz +112 oz water= 1 gallon (1:7 dilution)

Cleaning Instructions: Shake the concentrate vigorously before use. Pour 2 fl. oz. into an empty 16 fl oz Bottle with Sprayer. Slowly fill with water and shake well. Test product on a hidden spot for color fastness. Stop usage if discoloration shows on the carpet/area. Use a microfiber towel to remove as much of the stain or pet urine as possible. Apply liberally, ensuring that the product penetrates the carpet and underlying pad. Let stand for at least 30 minutes, up to 2 hours. Blot residue using clean paper towels. Allow to air dry. Stain and odor should be gone. Once dry, vacuum the area. If stain or odor remains, repeat the process. Older stains may need multiple applications. Older stains and odors may require more than one application.

Cleaning Solution Program

Certification From: 09/04/2024

Type: Pet Stain and Odor Remover

Certification Expiration: 12/31/2025

100 S HAMILTON STREET  
DALTON, GA 30720-4612
