PRS Odor Control

Dilution Rate (oz./gal.): N/A

Cleaning Instructions:

Shake well before use. This product must have wet contact with all odorous surfaces long enough to penetrate and digest the odor to be effective. Wet contact time will vary with porosity of the surface and the nature of the odor. Re-wet with diluted product as required, or until odor is no longer present. Removes most odors quickly. Older stains may require more than one application. For carpets pre-test for color fastness in discrete area.
