Simple Solution EXTREME Stain & Odor Remover

Dilution Rate (oz./gal.): RTU

Cleaning Instructions:

Directions: Shake bottle well. Before use, apply a small amount to an inconspicuous area to test for colorfastness and allow test area to completely dry and observe for any color change. Remove excess waste with a paper towel, then saturate the problem area. If treating carpet spot, cover two times the spot area to be sure to use enough product to reach the carpet backing and padding. Allow at least five minutes for the product to penetrate the surface then blot excess with a clean white cloth or paper towel. Allow area to dry naturally. Once the area is completely dry, any residual odor will disappear. If odor persists, repeat as needed.
