### Stain & Odor Eliminator

Dilution Rate (oz./gal.): RTU

#### Cleaning Instructions:

**DIRECTIONS:** Shake gently before use. Pre-test for color fastness on a hidden area. If color appears on cloth, discontinue use. Remove as much of the stain or pet urine as possible using a highly absorbent towel. **FOR NEW STAINS:** 1. Set the sprayer to the Stream setting. 2. Apply a liberal amount of Rocco & Roxie® Stain & Odor Eliminator to affected area. 3. Let stand 30-60 minutes, then blot with a cloth and let air dry. **FOR DEEP ODOR PROBLEMS:** 1. Use enough product to thoroughly penetrate both the carpet and underlying pad (or upholstery and underlying cushion). If need be, remove the sprayer and apply liquid directly. 2. Allow to stand at least 1 hour (longer is better). 3. Fold a towel and place over treated area with a weighed object on top to wick the residual liquid out of the carpet pad or cushion. 4. Once dried, vacuum and inspect. Stain and odor should be gone. If not, repeat procedure. Older stains and odors may require more than one application. **FOR LAUNDRY:** Spray the affected area and let sit for 30 minutes, then machine wash as usual.
